

Product Description

With the PG-IRT1602, we are offering a convenient measurement solution that is fast, simple and hassle-free. For children or elderly, bedridden patients in particular, the classic rectal measurement is often uncomfortable. The contactless clinical thermometer makes it easier to measure body temperature in many situations.

Product name	Infrared Forehead thermometer
Model	PG-IRT1602
Battery	2*1.5V AAA batteries
Product Dimension	154*34*46mm
Product weight	75g without battery
